About The Department

The Department of Physical Therapy is part of the **College of Nursing and Health Sciences**.

Our curriculum is accredited by the Commission on Accreditation of Physical Therapy Education (CAPTE), and has been since its inception in 1975, allowing graduates of the program to apply for licensure as Physical Therapists throughout the United States. **CAPTE no longer accredits Bachelor's Degree programs, and as a result, the Department no longer offers an undergraduate degree.**

Please refer to the Graduate Catalog for details about the Physical Therapy program.

Students interested in Physical Therapy as a career should pursue any major, as long as they take specific prerequisite coursework.
