

University College (UC)

FIU University College (UC) contains four major units: FIU Online, Continuing Education Credit Programs, Non-credit Programs, and High School Dual Enrollment. Programs offered through University College extend the instructional and academic resources of the university by using innovative approaches including distance learning, flexible class scheduling, customized training and off-campus academic credit and non-credit programs. Local, state, national, and international communities are served with consistent, cost-effective, high quality and distinctive programs and services.

FIU ONLINE

FIU Online offers online academic credit courses and degree programs for traditional students, professionals and adult learners. The undergraduate program offerings include Bachelor of Business Administration specializing in Finance, Human Resource Management, International Business, Management, or Marketing. Other undergraduate degrees offered are Bachelor of Hospitality Management, Communication Arts – Organizational Communication track, Psychology, Recreation and Sports Management – Recreational Therapy track, Early Childhood Education – Early Childhood Development track, Public Administration, Criminal Justice, and Nursing (RN to BSN).

FIU Online offers more than ten online undergraduate certificates in the area of Banking, Export-Import Management, International Bank Management, Sales and Customer Relationship Management, Entrepreneurship, and Women's Studies among others.

Our graduate online degree programs are very competitive and students can choose from a Master in: Adult Education and Human Resource Management, Business Administration, Construction Management, Criminal Justice, Human Resource Management, International Business, International Real Estate, Hospitality Management, Healthcare Master of Business Administration, Music Education, and a Doctor of Nursing Practice.

FIU Online also offers hundreds of non-credit online courses and programs.

For more information please visit <http://online.fiu.edu>.

ACADEMIC CREDIT PROGRAMS

University College oversees courses and programs for academic credit offered by schools and colleges that are delivered online, off-campus, on weekends, or in cohorts.

University College also works with public agencies or professional organizations that wish to contract with the University to provide credit courses and degree programs at the work site in order to meet employee training needs.

For more information on Continuing Education Credit Programs please visit <http://universitycollege.fiu.edu>.

DUAL ENROLLMENT

Dual enrollment is a successful acceleration mechanism that allows high school students to pursue an advanced curriculum related to their post-secondary interest. Successful completion of dual enrollment courses allows

eligible high school students to simultaneously earn high school core or elective credit and post-secondary credit toward a career and technical certificate, an associate degree, or a baccalaureate degree.
