- Finance: Shahid Hamid
- Interim Information Systems and Business Analytics: Richard Klein
- Management and International Business: William Newburry
- Marketing and Logistics: Anthony Miyazaki

Mission Statement
The College of Business exists to create enduring educational value for our students, for our alumni, and for the business, professional, and academic communities we serve:

For our students—whom we prepare to succeed in a rapidly changing, technology-driven global business environment;

For our alumni—to whom we provide opportunities for continuing professional development and a legacy that appreciates as our excellence grows;

For the business and professional communities—to whom we offer knowledgeable graduates, educational programs, research, and collaborative projects;

For the academic community—to whom we bring new knowledge through high-quality research and the development of future scholars.

Our vision is to create a College of Business (COB) that is distinguished among urban public business schools as a center for global business education, technology, and research. Our most noteworthy teaching and research expertise lies in the business arenas linking South Florida, Latin America, and the world economy.

The College offers undergraduate, graduate, professional education, customized training, and executive education programs to enterprises around the world. While continuing to meet the needs of students in the South Florida community, we are intensifying our educational service delivery to international students and enterprises, especially those in Latin America.

In all of our programs, we strive to instill in students a profound understanding of the changing nature of international business in an integrated and digital global economy. We ensure they are well versed in the impact information technology is having on how enterprises are organized and managed and on how products and services are created and marketed. We provide them with a solid grasp of business processes, the ability to think critically and to solve problems ethically, and the sense to conduct oneself with integrity and within the context of social and environmental responsibility. We foster their commitment to life-long learning in a dynamic, complex, and competitive world.

Our faculty engage in basic and applied research and in instructional development to contribute not only to the general knowledge base in the field of business but also to the ways in which this knowledge is created and shared. The College boasts a state-of-the-art information technology infrastructure that enables us to provide leading edge instruction and research, including online course delivery. At the same time, our IT investment supports our ongoing curricular innovation in related fields like enterprise-wide computing and logistics.

Organization
The College is organized into the Alvah H. Chapman, Jr., Graduate School of Business, the School of Accounting, the Tibor and Sheila Hollo School of Real Estate, and the Departments of Finance, Information Systems and Business Analytics, Management and International Business, and Marketing.

The College also houses several centers of excellence dedicated to teaching, research, and service. These include the Jerome Bain Real Estate Institute, the Ryder Center for Supply Chain Systems, the Knight Ridder Center for Excellence in Management, the Office of Professional Education, the Office of Executive and Professional Education, and the Global Center for Entrepreneurship and Innovation.

Degree Programs
Through its Landon Undergraduate School, the College of Business (COB) offers academic programs leading to the undergraduate degrees of Bachelor of Business Administration (BBA) and Bachelor of Accounting (BACC). Through its Chapman Graduate School, COB offers graduate degrees of Master of Accounting (MACC), Master of Business Administration (MBA), Master of International Business (MIB), Master of Science in Finance (MSF), Master of Science in Information Systems (MSIS), Master of Science in Human Resources Management (MSHRM), Master of Science in International Real Estate (MSIRE), Master of Science in Health Informatics and Analytics (MSHIA), Master of Science in Marketing (MSM), and Doctor of Philosophy in Business Administration (Ph.D.).

The Eugenio Pino and Family Global Entrepreneurship Center
The Eugenio Pino and Family Global Entrepreneurship Center, founded in 2003 in the College of Business at Florida International University, fosters entrepreneurship throughout South Florida and internationally. The Pino Center provides the FIU and local communities with the knowledge and networks that enable them to reach their
entrepreneurial objectives of designing, launching and nurturing successful new ventures and assisting established innovative enterprises in moving to the next level. Activities include: workshops and webinars, a business plan competition, a yearly conference on venture capital in the Americas, a venture mentor service, and a publication series, including working papers. Student and faculty in the Department of Management and International Business, as well as other departments and other schools and colleges within the University, are invited to participate in the programs and activities of the Pino Entrepreneurship Center. For more information, visit www.entrepreneurship.fiu.edu.

R. Kirk Landon Undergraduate School of Business

Undergraduate Degree Programs
Professional BBA Programs (PBBA)

In addition to traditional academic programs leading to the undergraduate degrees of Bachelor of Business Administration (BBA) and Bachelor of Accounting (BACC) the College offers innovative undergraduate programs that enable students to pursue their career full-time. The PBBA program consists of a series of lock-step courses that lead to a Bachelor of Business Administration (BBA) degree with a Management major in a concentrated time span. Each class admitted to these programs proceeds through the curriculum as a group. Students in the PBBA Weekend Program attend classes on Saturday only and complete their degree requirements in 21 months. The PBBA program charge tuition plus additional fees for value-added services and are limited to a select number of students. The admission standard for this program is a GPA of 2.5 or higher. For additional information, including admission requirements, please contact the program manager (305) 348-4052, email: ProfessionalBBA@fiu.edu or visit http://business.fiu.edu.

Undergraduate Majors

Major programs leading to the Bachelor’s degree are offered in Accounting, Finance, Human Resource Management, International Business, Logistics and Supply Chain Management, Management, Management Information Systems, Marketing, and Real Estate. Students are encouraged to visit the undergraduate student services website for additional information and assistance: http://business.fiu.edu.

Undergraduate Double Majors

Students in the COB have the ability to graduate with a double business major. Triple majors are not available to COB students. Students may take any combination of majors. The process of admitting a student to a double major is as follows:

1. The student must complete the second major form. The student must be fully admitted to the primary major at the time the second major request is submitted.
2. Upon admission to the double major, the student may apply up to a maximum of four (4) major courses (12 semester hours) from the primary major’s major course requirements to the second major.

Special note for Accounting students: When a student declares accounting as a double major, accounting is always considered the “primary major”.

Students pursuing double majors are limited to pursuing (a) a maximum of two certificates offered within their majors, or (b) one certificate or one minor offered by any other major’s department.

Undergraduate Non-Business Student Minors

The College offers several minors for undergraduate, non-business students: a minor in Business, a minor in Logistics and Supply Chain Management, a minor in Marketing, a minor in Professional Sales, a minor in Social Media and E-Marketing Analytics, and a minor in Entrepreneurship. Admission to all minors is set at a 2.5 GPA. All minor students must be fully admitted to their major in another college. Business majors are not eligible for a minor.

Students should be admitted to the minor PRIOR to taking classes. Courses taken prior to admission may not count towards the minor.

Students opting for a minor in business must complete the following five courses at Florida International University and obtain a minimum grade of “C” in each of the five courses (15 credit-hours):

- ACG 3024 Accounting for Managers and Investors
- FIN 3005 Introduction to Business Finance
- ISM 3012 Introduction to Decision and Information Systems
- MAN 3022 Introduction to Management
- MAR 3024 Marketing Fundamentals

All courses counting towards the minor must be taken at FIU. The minors in Business Analytics and Project Management are discussed in the “Information Systems and Business Analytics” section of this catalog; the minor in Entrepreneurship is discussed in the “Management and International Business” section of this catalog; and the minors in Marketing, Professional Sales, Logistics and Supply Chain Management, and Social Media and E-Marketing Analytics are discussed in the “Marketing” section of this catalog.

Undergraduate Degree Programs

Admission Requirements

Applicants must follow regular University admission procedures and upon admission declare their specific major in Business Administration. In addition, students must complete the following Common Prerequisite Courses as part of their 60 credit-hours of lower-division course work: six credit hours of accounting; six credit hours of economics; three credit-hours of calculus; three credit-hours of business statistics; and three credit-hours of computer applications. The GPA earned in the 60 credit-hours must be 2.5 or higher. Additionally, for all continuing FIU and transfer students the GPA earned for all Common Prerequisite Course credit hours must be 2.5 or higher.

All transfer students must also complete the Math Placement Assessment for Incoming Students. The results from that assessment are utilized to guide students for placement in appropriate mathematics courses.

For transfer students who have not successfully completed college-level mathematics courses, results
Undergraduate Catalog 2017-2018

Undergraduate Degree Program Requirements

In general, students who can earn a bachelor’s degree from the College of Business will have completed professional work that includes:

1. Required courses designed to provide students with a common body of knowledge that includes:
   a. Concepts and processes in the production, financing and marketing of goods and services in a business enterprise or organization, both domestically and internationally;
   b. The economic and legal environments of and the ethical, social, and political influences on profit and non-profit organizations;
   c. Concepts and applications in accounting, quantitative methods, computers and management information systems;
   d. Organizational theory and behavior and interpersonal communication;
   e. Administrative and decision-making processes in climates of uncertainty, including policy analysis at the highest management levels.

2. Required courses in major;

3. Approved upper division business elective courses.

Academic Standards

To earn an undergraduate degree from the College of Business, all students must comply with the following:

1. Students must earn a grade of “C” or higher in each of the lower-division Common Prerequisite Courses. Each of these courses cannot be attempted more than twice. Drops after the add/drop period, which result in a DR grade, are considered an attempt in the course and count as an unsuccessful enrollment.

2. Students must earn a grade of “C” or higher in all upper-division major courses.

3. Students must earn a grade of “C” or higher in all upper-division Business Core Courses within their major area of study. Each of these courses cannot be attempted more than three times. Drops after the add/drop period, which result in a DR grade, are considered an attempt in the course and count as an unsuccessful enrollment.

4. As a student within the College of Business, each student get two drops after the add/drop period, which result in “DR” grades, in their first 60 credits attempted. Each College of Business student get two additional drops after the add/drop period, which result in “DR” grades, in the second 60 credits attempted. Unused drops after the add/drop period, which result in “DR” grades, do not carry over from the first 60 credits attempted to the second 60 credits attempted. Students entering the College of Business as transfer students with an A.A. degree from a Florida public college or with 60 or more transfer credits earned from another college or university only get two drops after the add/drop period, which result in “DR” grades. Students with disabilities who need to drop a course due to disability-related reasons are allowed to petition for additional drops after the
add/drop period, which result in “DR” grades. Students who can document extenuating circumstances may petition the College for additional drops. Approval to drop additional courses in excess of those allowed must be obtained from the College of Business.

5. Students must satisfy the requirements of their respective programs of study and satisfy all university requirements for graduation.

6. Students not pursuing a double major are limited to pursuing (a) a maximum of two certificates, or (b) a maximum of two minors, or (c) a maximum of one certificate and one minor. Students pursuing a double major should refer to the “Undergraduate Double Majors” sections.

The College adheres strictly to the university’s dismissal policy.

Students should be sure to read and understand Florida International University’s policies regarding “Academic Warnings, Probation, and Dismissals” as described in the “General Information” section of this catalog. These policies apply to all students in the College of Business.

In addition to satisfying the degree requirements specified in the university’s “General Information” section of the catalog, students in the College of Business must have completed the following course work:

**Required Common Prerequisite Courses (3 credit-hours each)**

Students are required to achieve a grade of “C” or higher in each of the following courses:

<table>

</tr>
</tbody>
</table>

*These courses should not be taken by students majoring in Accounting. Instead, Accounting majors must take ACG 4401 Accounting Information Systems and BUL 4320 Business Law.

**NOTE:** Students admitted before Fall 2011 can take either COM 3150, Advanced Communication for Business or COM 3110, Business and Professional Communication.

**Prerequisite Requirements**

Prerequisite course requirements for entry into upper level courses will be enforced. Students will be administratively dropped from courses when they lack the required prerequisite course or courses and/or required grade. With the implementation of Panthersoft, the College will begin enforcing prerequisites at the time of registration.

**Note:** The programs, policies, requirements, and regulations listed in this catalog are subject to continual review in order to meet the needs of the University’s various publics and to respond to the mandates of the Florida Board of Education and the Florida Legislature. Changes may be made without advance notice. Please refer to the “General Information” section of this catalog for the university’s policies, requirements, and regulations. For the most current and updated information, refer to the COB and appropriate Schools/Departments web sites.
