Assistant Professor, Nursing and Simulation Center Coordinator

Holness, Nola, Ph.D., CNM, ARNP *Clinical Assistant Professor*

Jones, Sandra, Ph.D., RN, ACRN, ARNP, FAAN *Associate Professor, Nursing*

Little, Daniel, Ph.D., RN, ARNP-BC *Clinical Assistant Professor, Nursing*

Maltseva, Tatayana, Ph.D., RN, ARNP, PMHNP-BC *Clinical Assistant Professor and Assistant Chairperson, Undergraduate Nursing*

Miller, Ann, DNP, CRNA *Clinical Associate Professor, Anesthesiology Nursing*

Miller, Audrey, Ph.D., ARNP, RN *Assistant Professor*

Olafson, Elizabeth, MSN, RN, MEd. *Clinical Assistant Professor and Director of Clinical Education*

Olenick, Maria, Ph.D., FNP, RN *Clinical Associate Professor, Nursing and Chair, Undergraduate Nursing*

Parchment, Yvonne, Ed.D., RN, ARNP, CNE *Clinical Associate Professor*

Porter, Luz, Ph.D., RN, ARNP, FAAN *Professor Emeritus*

Roche, Rosa, Ph.D., ARNP, PNP-BC *Clinical Assistant Professor*

Scaccianoce, Monica, DNP, ARNP, PMHNP-BC *Clinical Assistant Professor*

Sherman, Deborah, Ph.D., ARNP, ACHPN, FAAN *Professor*

Simon, Sharon, Ph.D., RN *Clinical Assistant Professor*

Stevens, Debbie, Ph.D., PMHNP-BC *Visiting Clinical Assistant Professor*

Thomas, Tami L., Ph.D., RN, CPNP, FAANP, FAAN *Associate Dean of Research, PhD Program Director and Associate Professor*

Valdes, Jorge, DNP, CRNA, ARNP *Clinical Assistant Professor, Anesthesiology Nursing*

Walsh, Sandra, Ph.D., RN, FAAN *Visiting Clinical Professor*

Wunder, Linda, Ph.D., RN, CRNA, ARNP *Clinical Associate Professor and Chair, Anesthesiology*

Youngblut, Jo-Anne, Ph.D., RN, FAAN *Professor*

The Nicole Wertheim College of Nursing and Health Sciences offers a professional program of study leading to the degree of Bachelor of Science in Nursing (BSN).

The BSN program is accredited by the Commission on Collegiate Nursing Education (CCNE), One Dupont Circle, Suite 530, Washington, DC 20036-1120, (202) 887-8476, and is approved by the Florida Board of Nursing (4052 Bald Cypress Way, BIN CO2, Tallahassee, FL 32399, 850-245-4125). The program is open to generic (basic) and RN students. The generic BSN program includes a track for foreign-educated physicians who have previous knowledge and skills in the health care field. Upon graduation, generic students are eligible to write the NCLEX examination to become registered nurses.

The Nicole Wertheim College of Nursing and Health Sciences also offers a Master of Science degree in Nursing, a Ph.D. in Nursing, and Doctor of Nursing Practice degree as well as selected continuing education courses.

Program Objectives

Upon completion of the BSN, graduates will be able to:

1. Synthesize knowledge from nursing and related disciplines in the provision of care to clients within the health-illness continuum throughout the life span.
2. Utilize creative leadership to promote quality health care and patient safety in a rapidly changing multicultural, multiethnic, and global environment.
3. Synthesize and apply evidence and research findings from nursing and from other disciplines to improve or change nursing practice.
4. Use appropriate and current technology and skills in the delivery of safe and effective patient care.
5. Function as an advocate and change agent in influencing healthcare policies, delivery, economics, and health disparities to improve the quality of health for diverse populations.
6. Collaborate and communicate with members of the health care team in the delivery of individualized, cost-effective and ethical health care services.
7. Demonstrate an understanding of accountability, responsibility, values, and standards of moral, ethical, and legal conduct that impact on the role and practice of the professional nurse.
8. Utilize theoretical knowledge and clinical competencies in caring for culturally diverse populations in a variety of clinical settings.

Program Policies

Students who enter FIU without an Associate of Arts (AA) degree, transfer from out-of-state, or transfer from a private community college must meet the FIU core curriculum requirements. See a nursing advisor (305) 348-7703 in the Office of Student Services for admission information.

Nursing majors are responsible for transportation expenses related to clinical experiences. They are required to carry health and accident insurance. To safeguard the health of clients, nursing students are required to submit proof of health examination and immunizations upon entry into the nursing program. Students must submit proof of basic cardiopulmonary resuscitation (CPR) certification (American Heart Association) prior to entering clinical courses in the nursing major. This CPR certification must cover the period of enrollment in the major.

The Florida Board of Nursing and clinical agencies require the disclosure of arrest and conviction records for misdemeanors and/or felonies; therefore, this information will be required at the time of application. Applicants are required to submit to criminal background checks and drug testing. Expenses associated with background checks and drug testing (including repeat testing) are the responsibility of the student. Findings may affect a student's ability to participate in clinical experiences and complete the program, and/or obtain registered nurse licensure.

In addition to undergraduate tuition and fees, nursing students may be charged a fee for courses with an "L" suffix for laboratory supplies.

Students who request a transfer from another nursing program must provide a letter of good standing from the nursing program in which they were enrolled.

The College reserves the right to terminate a student from the nursing program for reasons related to the inability to safely carry out professional responsibilities.

Note: The programs, policies, requirements, and regulations listed in this catalog are continually subject to

review in order to serve the needs of the University's and College's various publics and to respond to the mandates of the Florida Department of Education, Board of Governors, the Legislature, and other regulatory and accrediting agencies. Changes may be made without advance notice. Please refer to the General Information section for the University's policies, requirements, and regulations. Please refer to the College's website for updated information in nursing.

Bachelor of Science in Nursing (BSN)- Generic Track

Degree Program Hours: 124

Admission Requirements

Applicants to the nursing major must submit an application for admission to the University and must follow the regular University procedures. Applicants must also complete a nursing major application. Applicants must be admitted to the University before admission to the nursing major.

All admission documents must be submitted and courses must be completed by March 15 preceding the Fall admission. Students interested in the nursing major should contact the College to make an appointment with the Office of Student Services as early as possible. The College is located on the Modesto A. Maidique Campus, (305) 348-7703, or call the Biscayne Bay Campus for the Foreign-Educated Physician to BSN track, (305) 919-4421.

The generic BSN track is a limited enrollment program and admission is competitive based on previous academic performance. To be admitted to the program, applicants must:

1. Have an overall GPA of 3.25 or higher, with no repeats in science courses due to failure;
2. Have completed science courses within the past 10 years;
3. Have met all the lower division requirements including a grade of "C" for all nursing pre-requisite courses;
4. Completed 60 semester hours;
5. Have met entry requirements for computation and reading skills; and
6. Be recommended for admission by the Undergraduate Admissions Committee.

A criterion-based point system is used for admission evaluation of applicants to the generic BSN program. Contact an advisor for information on the point system. Applicants must apply by the published deadline to be considered for admission. Once a class fills, there are no deferred admissions. Previous applicants who wish to be considered for admission in the next application cycle must submit a new application, along with any supporting documentation. For applicants to the Foreign-Educated Physician-BSN track and the RN-BSN-MSN, see admission requirements for these tracks.

Lower Division Preparation

Transfer students who have been awarded an Associate of Arts degree from a Florida (public) community college or a baccalaureate degree or higher from an accredited regional institution or FIU core students must successfully complete the following prerequisites for the FIU nursing program:

Common Prerequisite Courses and Equivalencies

FIU Course(s)	Equivalent Course(s)
STA 3145	STAX014 or STAX023 or STAX122 or STAX022
CHM 1033/L	CHMXXXX or BCHXXXX or BSCXXXX or PCBXXXX or PHYXXXX
PCB 2099/L	BSCX085C or BSCX085/X085L or BSCX093C or BSCX093/X093L
ZOO 3731/L	BSCX086C or BSCX086/X086L or BSCX094C or BSCX094/X094L
MCB 2000/L	MCBX010C or MCBX010/X010L or MCBX013C or MCBX013/X013L or MCBX000/X000L or MCBX004/X004L
DEP 2000	DEPX004 or DEPX054 or DEPX000 or DEPX414
PSY 2012	PSYXXXX or SOPXXXX or SYGXXXX
HUN 2201	HUNX201 or NURX192

Courses which form part of the statewide articulation between the State University System and the Florida College System will fulfill the Lower Division Common Prerequisites.

For generic course substitutions/equivalencies for Common Program Prerequisites offered at community colleges, state colleges, or state universities, visit: <https://flvc.org>. Search Program Listing by Alphabetical Order.

Course Credits

Statistics	3
Chemistry & Lab	5
Human Anatomy/Physiology & Labs	8
Microbiology & Lab	4
Human Growth & Development	3
Introduction to Psychology	3
Ethics*	3
Nutrition	3

*Additional course required for the degree. Equivalent transfer courses will be accepted.

Course Credits – 54**Freshman Year – Fall Semester – 14 credits**

ENC 1101	Writing and Rhetoric I	3
MGF 1106	Finite Mathematics	3
SLS 1501	First Year Experience	1
PSY 2012	Intro to Psychology	3
PCB 2099/2099L	Human Physio/Lab*	4

Freshman Year – Spring Semester – 13 credits

ENC 1102	Writing and Rhetoric II	3
MCB 2000	Introductory Microbiology* – GL	3
MCB 2000L	Introductory Micro Lab*	1
Arts Requirement		3
STA 3145	Statistics	3

Sophomore Year – Fall Semester – 14 credits

PHI 2010	Introduction to Philosophy (<i>preferred because also meets Gordon Rule</i>)	3
HUN 2201	Principles of Nutrition	3
CHM 1033/1033L	Survey of Chem/Lab*	5
Elective		3

Sophomore Year – Spring Semester – 13 credits

ZOO 3731/3731L	Human Anatomy/Lab* (<i>Can be taken any time after MCB 2000/2000L or PCB 2099/2099L</i>)	4
PHI 2600	Introduction to Ethics	3
DEP 2000	Human Growth/Dev	3
Elective		3

* Contact departments for course scheduling of sciences.

Scholastic Requirements

To remain in good academic standing students must:

1. Achieve a grade of 'C' or higher in nursing courses. A student who earns less than a 'C' in any nursing course will be required to repeat the course in order to progress in the nursing program. A student may repeat a course one time only. Students who have failed two nursing courses or have two failures in the same nursing course will be dismissed from the program.
2. Pass required examinations: Generic students are required to take specific nursing achievement examinations (To be announced at the beginning of each academic term). In addition, generic students are required to pass a nursing synthesis (exit) exam as a prerequisite to the BSN degree. This examination is given during the last semester of the program.

Required Nursing Courses – 70**Junior Year – Fall Semester – 15 credits**

NUR 3029	Foundations of Nursing Practice	3
NUR 3029C	Foundations of Nursing Practice Lab	2
NUR 3029L	Foundations of Nursing Practice Clinical	3
NUR 3125	Pathophysiologic Basis for Nursing Practice	3
NUR 3066C	Health Assessment and Promotion	4

Junior Year – Spring Semester – 16 credits

NUR 3226	Nursing Care of Adults I	3
NUR 3226L	Nursing Care of Adults I Clinical	3
NUR 3145	Pharmacologic Basis of Nursing Practice	3
NUR 3535	Psychosocial Nursing	3
NUR 3535L	Psychosocial Nursing Clinical	3
NSP 3801	Inter-Professional Approaches to Health Care	1

Junior Year – Summer Semester – 12 credits

NUR 3227	Nursing Care of Adults II	3
NUR 3227L	Nursing Care of Adults II Clinical	3
NUR 3666	Evidence-Based Nursing and Research in Global Health Care – GL	3
NUR 3821	Professional Nursing Leadership: Concepts and Issues – GL	3

NUR 4636C	Care of Communities: Community Health Nursing	4
NUR 4286	Nursing Care of Older Adults	2
NUR 4945L	Senior Clinical Practicum	4
NUR 4940	Senior Nursing Synthesis	2

A laboratory fee will be assessed for the following courses:

NUR 3029C – Skills
NUR 3066C – Assessment
NUR 3685L – Integrative 1
NUR 4686L – Integrative 2

Bachelor of Science in Nursing (BSN) – Veterans Medic to Nurse

Admission Requirements

Applicants to the Veterans Medic to Nurse BSN (VBSN) must submit an application for admission to the University and must follow the regular University procedures. Applicants must complete a Veterans Medic to Nurse application. Applicants must be admitted to the University before applying for admission to the nursing program. All admission documents must be submitted by the posted college application deadline preceding the Fall and Spring admission for VBSN students. Students interested in the VBSN program should contact the College to make an appointment with the VBSN advisor as early as possible. The College is located on the Modesto A. Maidique Campus, AHC3-232, (305) 348-4725.

The VBSN track is a limited enrollment program. To be qualified for admission to the program, applicants must:

1. Be a veteran from any branch of United States military service, an active duty reservist, or a National Guard member with military medical training and service experience OR with Paramedic certification;
2. Have a minimum cumulative GPA of 2.5 in all lower division coursework;
3. Have met all lower division requirements including a minimum grade of a "C" for all nursing prerequisite courses*;
4. Completed a minimum of 60 semester hours;
5. Have completed all required prerequisite science courses within the last 10 years;
6. Have met entry requirements for computation and reading skills through the specified nursing entrance exam; and
7. Be recommended for admission by the Undergraduate Admissions Committee.

*Required nursing prerequisites include the following courses: 4 credits each of human anatomy & lab, human physiology & lab, microbiology & lab, and survey of chemistry & lab; and 3 credits each of human growth & development, statistics, psychology, principles of nutrition, and ethics.

Lower Division Preparation

Transfer and current FIU students entering the program must either have been awarded an Associate of Arts degree from a Florida (public) community college or baccalaureate degree or higher from an accredited regional institution, or must meet the FIU core requirements as outlined in undergraduate university curriculum requirements. Students must also complete the nursing prerequisites as listed below. Exceptions to these lower division and nursing prerequisite requirements may

be made on a case by case basis by the undergraduate nursing program chair.

Bachelor of Science in Nursing (BSN) – Accelerated Option

Degree Program Hours: 61

Admission Requirements

Applicants to the Accelerated Option BSN program must submit an application for admission to the University and must follow the regular University procedures. Applicants must also complete an Accelerated Option (A.O.) college application. Applicants must be admitted to the University

before admission to the A.O. nursing major. All admission documents must be submitted and courses must be completed by the posted college application deadline preceding the Spring admission for A.O. students. Students interested in the A.O. program should contact the College to make an appointment with the Office of Student Services advisors as early as possible. The College is located on the Modesto A. Maidique Campus, (305) 348-7709, or call the Biscayne Bay Campus for the Foreign Educated Physician to BSN track, (305) 919-4421.

The Accelerated Option (A.O.) BSN track is a limited enrollment program and admission is competitive based on previous academic performance. To be admitted to the program, applicants must:

1. Have a baccalaureate degree from a regionally accredited college or university with a minimum cumulative GPA of 3.0;
2. Have completed all nursing prerequisites with a minimum of a "C" grade;
3. Have a minimum GPA of 3.25 for all nursing prerequisites*;
4. Have completed all required prerequisite science courses within the last 10 years;
5. Have met entry requirements for computation and reading skills; and
6. Be recommended for admission by the Undergraduate Admissions Committee.

*Required nursing prerequisites include the following courses:

Course Credits

Freshman Year – Fall Semester

Introduction to Psychology	3
Introduction to Ethics	3
Human Growth and Development	3
Human Nutrition	3
Statistics	3

Freshman Year – Spring Semester

Human Anatomy & Lab**	4
Human Physiology & Lab**	4
Microbiology & Lab**	4
Chemistry & Lab**	4

** Coursework must be completed within the 10 years prior to admission to the program.

A criterion based point system is used for admission evaluation of applicants to the Accelerated Option BSN program. Contact an advisor for information on the point system. Applicants must apply by the published deadline to be considered for admission. Once a class fills, there are no deferred admissions. Previous applicants who wish to be considered for admission in the next application cycle must submit a new application, along with any supporting documentation. For applicants to the Foreign Educated Physician combined BSN/MSN, Generic BSN, and the RN to BSN tracks – see admissions requirements for these tracks.

Bachelor of Science in Nursing (BSN)-RN to BSN Track

The RN-BSN degree requires a minimum of 120 credits. In addition to 60 transferable lower division credits, the degree requirements include: 24 credits of nursing core courses, 30 credits of clinical proficiency evaluations (completed by equivalency exams), 4 credits each of human anatomy & lab, human physiology & lab, microbiology & lab, and survey of chemistry & lab; and 3 credits each of human growth & development, statistics, psychology, principles of nutrition, and ethics. No more than six (6) transferable credits from other nursing baccalaureate programs will be accepted for the RN-BSN program of study, and nursing prerequisites must be completed at a regionally accredited institution. Students must complete at least 30 upper division credits at FIU.

Each applicant's educational record is individually evaluated by the nursing unit. To progress through the curriculum, the RN must successfully complete prerequisite, co-requisite and required courses for the curriculum plan in effect at the time of admission. It is possible to complete the nursing sequence in one year of full-time study after all prerequisites and equivalency examinations have been completed and the RN has been fully admitted to the program.

Admitted RN-BSN students who have not enrolled in any FIU course for three (3) or more consecutive terms will be required to apply for readmission to FIU and the NWCNHS. The applicant must meet the RN-BSN track admission requirements, including the program of study, in effect at the time of readmission. Upon readmission, RN-BSN coursework already completed will be evaluated by the Chair of Undergraduate Nursing or designee.

Readmitted RNs may be required to repeat or take additional courses to complete degree requirements.

It is preferred that RNs have one year clinical nursing experience and must obtain professional liability insurance prior to registering for NUR 4636C and NUR 4945L. Students must achieve the competencies of equivalency exams prior to enrollment in Level IV courses.

Scholastic Requirements

To remain in good academic standing, students must achieve a grade of 'C' or higher in nursing courses. A student who earns less than a 'C' in any nursing course will be required to repeat the course in order to progress in the nursing program. A student may repeat a course one time only. Students who have failed (C- or lower) two nursing courses or have two failures in the same nursing course will be dismissed from the program.

Admission Requirements

1. Unencumbered Florida Registered Nurse License,
2. 2.75 Cumulative GPA from an accredited ASN or Diploma Nursing program,
3. Minimum 60 transferable lower division college credits,
4. Associate in Arts (AA) from a Florida state system college or non-nursing Bachelor's degree in another field from a regionally accredited institution (required with Non-Regionally accredited ASN) or meet Core Curriculum Requirements,
5. Meet a) Florida mandated Gordon Rule requirements; b) University Core Curriculum requirements; c) University foreign language requirement; and d) nursing major prerequisites with a grade of "C" or higher,
6. RN-BSN applicants who hold an ASN degree from a non-regionally accredited educational institution MUST have earned an ASN from an institution with ACEN (Accreditation Commission for Education in Nursing, formerly NLNAC) accreditation and MUST obtain an Associate in Arts (AA) from a Florida State System College or a Bachelor's Degree in another field from a Regionally Accredited institution prior to entering FIU's RN to BSN program. You may verify your nursing program's accreditation at the following link:
<http://www.acenursing.us/accreditedprograms/programsearch.htm>,
7. Applicants with foreign degrees that have Florida RN licensure can apply if degree earned is evaluated to be equivalent to a Bachelor's degree or Doctorate in Medicine degree at a regionally-accredited U.S. institution,
8. International students must submit a minimum score of 550 on the Test of English as a Foreign Language (TOEFL),
9. RN-BSN applicants who have taken BSN courses at another institution and are requesting a transfer into the NWCHNS RN-BSN track must have all coursework evaluated by FIU Nursing Faculty to determine course equivalency and are allowed a maximum of 6 transfer upper division Nursing credits, and

10. Approved transferred nursing coursework must be completed within 5 years of enrollment at the time of admission.

Prior to admission, degree seeking applicants without an Associate in Arts degree from a Florida State Institution must satisfy the same current admission Undergraduate Catalog Nicole Wertheim College of Nursing and Health Sciences requirements as beginning freshmen. Graduates of diploma nursing programs who do not have transferable college credit will be required to complete the FIU lower division credit requirements prior to admission. Visit the website at:

<http://www.fiuonline.com/programs/online-undergraduate-degrees/rntobsn/> for program information.

Advanced Placement and Progression of RNs

Advanced placement in both nursing and non-nursing courses is facilitated by earning credits through examination, i.e., challenge or equivalency exams such as CLEP or Excelsior College examinations (Psychiatric-Mental Health Nursing, Adult Health Nursing, and Maternal-Child Nursing) with a grade of 'C' or higher.

Curriculum

*E.E. = Equivalency Exam

**Statistics is a prerequisite for this course

See University catalog/nursing advisor for pre-and-corequisite courses.

Combined BSN/MSN for Foreign-Educated Physician Track

Admission Requirements

The Combined BSN/MSN track is a pathway for foreign-educated physicians (FEPs) from culturally diverse backgrounds to:

- obtain the BSN degree
- become Registered Nurses (RNs)
- attain the MSN degree

- become eligible to take the Advanced Registered Nurse Practice (ARNP) national certification exam

The combined BSN/MSN track is an accelerated program that builds upon the knowledge and skills of the social and physical sciences from a prior BS degree. It is comprised of **63** upper division credits and 43-47 graduate credits, totaling 105 to 109 credit hours. Admission to the MSN component is contingent upon meeting the MSN admission requirements.

To be admitted to the BSN/MSN track, students must:

1. Have completed a medical degree from an accredited non-US university;
2. Have transcripts evaluated by Josef Silny & Associates or by an equivalent transcript evaluation company;
3. Obtain a TOEFL score of 550;
4. Meet nursing entry requirements for computation and reading skills;
5. Meet the admission criteria to be admitted to the University and to the College of Nursing and Health Sciences; and
6. Successfully complete the following nursing prerequisites (with grade of 'C' or above): statistics, human growth & development across the life span, human nutrition, anatomy & physiology, microbiology, chemistry. Transcripts will be evaluated by NWCNHS.
7. The Florida Board of Nursing and clinical agencies require the disclosure of arrest and conviction records for misdemeanors and/or felonies; therefore, this information will be required at the time of application. Applicants are required to submit to criminal background checks and drug testing. Expenses associated with background checks and drug testing (including repeat testing) are the responsibility of the student. Findings may affect a student's ability to participate in clinical experiences and complete the program, and/or obtain registered nurse licensure.

To advance to the MSN component of this track, (Semesters V-VIII), students must:

1. Have a cumulative GPA of 3.5 or above for Semesters I to IV; and
2. Be licensed as a registered nurse (RN) by the end of Semester V.

Degree Conferrals

Students enrolled in the MSN component must apply to graduate with the BSN during the 4th week of semester VI; BSN degree will be posted at the end of semester VI. Students will graduate with the MSN at the end of semester VIII.

BSN Stop-out Options

1. **Low GPA Stop-out Option:** Students with <3.5 cumulative GPA for Semesters I to IV will take NUR 4636C (Care of Communities: Community Health Nursing, 4 credits) and NUR 4945L (Senior Clinical Practicum, 4 credits) in Semester V OR VI. BSN degree will be awarded at the end of semester V or semester VI depending on clinical space availability of NUR 4945L. Students must apply for graduation of the BSN component by the 4th week of the semester they intend to graduate.

2. **Failure to Pass NCLEX Stop-out Option:** Students not passing NCLEX-RN by the end of Semester V will take NUR 4945L (Senior Clinical Practicum, 4 credits) in Semester VI. BSN degree will be awarded at the end of semester VI. Students must apply for graduation of the BSN component by the 4th week of the semester they intend to graduate.
3. **Stop out students will graduate with BSN and will be discontinued from the combined BSN-MSN track.**

Curriculum

Semester I – 18 (15 UG/3 Grad)

NUR 3029	Foundations of Nursing Practice	3
NUR 3029C	Foundations of Nursing Practice Laboratory	2
NUR 3029L	Foundations of Nursing Practice Clinical	3
NUR 3066C	Health Assessment and Promotion in Nursing Practice	4
NUR 3119	Professional Nursing: Concepts and Issues	3
NGR 6172	Pharmacological Concepts in Advanced Nursing Practice (<i>MSN Requirement</i>)	3

Semester II – 15 (9 UG/6 Grad)

NUR 3226	Nursing Care of Adults I	3
NUR 3226L	Nursing Care of Adults I Clinical	3
NUR 3227	Nursing Care of Adults II	3
NUR 3227L	Nursing Care of Adults II Clinical	3
NUR 3821	Professional Nursing Leadership: Concepts and Issues – <i>GL</i>	3
NGR 5110	Theories in Nursing (<i>MSN Requirement - Not required for BSN</i>)	3
NGR 5141	Pathophysiological Basis of Advanced Nursing Practice (<i>MSN Requirement</i>)	3

Semester III – 14 (14 UG)

NUR 3535	Psychosocial Nursing	3
NUR 3535L	Psychosocial Nursing Clinical	3
NUR 3227	Nursing Care of Adults II	3
NUR 3227L	Nursing Care of Adults II Clinical	3
NUR 4286	Nursing Care of Older Adults	2
NUR 3821	Professional Nursing Leadership: Concepts and Issues – <i>GL</i>	3
NGR 5110	Theories in Nursing (<i>MSN Requirement - Not required for BSN</i>)	3

Semester IV – 17 (17 UG)

NUR 4455	Care of Families: Childbearing Nursing	3
NUR 4455L	Care of Families: Childbearing Nursing Clinical	3
NUR 4355	Care of Families: Childrearing Nursing	3
NUR 4355L	Care of Families: Childrearing Nursing Clinical	3
NUR 4667	Nursing in Global Health Care Systems – <i>GL</i>	3
NUR 4940	Senior Clinical Synthesis	2

Low GPA Stop-out Option: Students with <3.5 cumulative GPA for Semesters I to IV will take NUR 4636C (Care of Communities: Community Health Nursing, 4 credits) and NUR 4945L (Senior Clinical Practicum, 4 credits) in Semester V or VI, and end with a BSN degree.

Semester V – 13 (4 UG/9 Grad)

NUR 4636C	Care of Communities: Community Health Nursing	4
NGR 5131	Culture and Advanced Nursing Practice (<i>MSN Requirement - Not required for BSN</i>)	3

NGR 5035C	Advanced Client Assessment (MSN Requirement – Not required for BSN)	3
NGR 5810	Research Methods in Nursing (MSN Requirement)	3

Failure to Pass NCLEX Stop-out Option: Students must pass the NCLEX on first attempt during semester V. Students not passing the NCLEX-RN on first attempt by the end of the semester V will take NUR 4945L (Senior Clinical Practicum, 4 credits) in semester VI and will be eligible for a BSN degree at the end of semester VI. (+4 UG credits for Stop Out Students only)

Semester VI

NGR 6201C, or 6301C, or 6601C	Advanced Adult-Gerontology, Child, or Family Health Nursing I	3-4
NGR 6201L, or 6301L, or 6601L	Advanced Adult-Gerontology, Child, or Family Health Nursing Practice I*	3-4
NGR 5XXX	Elective	3

Students must apply for graduation from the BSN by 4th week of semester VI.

Semester VII

NGR 6202C, or 6302C, or 6602C	Advanced Adult-Gerontology, Child, or Family Health Nursing II	3-4
NGR 6202L, or 6302L, or 6602L	Advanced Adult-Gerontology, Child, or Family Health Nursing Practice II*	3-4
NGR 6910C	Research Project	3

Semester VIII

NGR 6209, or 6337, or 6748	Clinical Decision Making in Advanced Adult-Gerontology, Child or Family Health Nursing	3
NGR 6700L, or 6337L, or 6619L	Role Synthesis in Advanced Adult-Gerontology, Child, or Family Health Nursing Practice*	4

Eligible to take ARNP National Certification Exam after completion of semester VIII.

Students must apply for graduation from MSN at the beginning of semester VIII.

*All students must have a majority of ARNP preceptors in all NP practicum courses.

Repeating Nursing Courses and Dismissal

A grade of "C" or higher in all NUR courses and a grade of "B" or higher in all NGR courses is necessary for continuing in the combined BSN/MSN track. A course in the BSN/MSN track can be repeated only once. If a student fails the same NUR course twice, or two NUR clinical and/or clinical-related courses, or two NGR courses, he/she will be dismissed from the BSN/MSN for FEP track.
