Necessary credits to fulfill the SIPA modern language requirements can be taken using the Additional Electives available for the degree. The School's requirement is a competency requirement, not a credits requirement. That is to say the student must demonstrate competency at or exceeding that of a second semester college level foreign language course. Proficiency is demonstrated by scoring at least 'intermediate- high' on the ACTFL/ETS exam for Spanish, Portuguese, or French. For other languages, corresponding tests of proficiency and levels of achievement will be required. This proficiency can be met by receiving credit for the second semester of a foreign language or higher (e.g., SPN 1131 or higher) with a C minimum grade.
