

FINANCIAL AID

WHAT IS FINANCIAL AID?

Financial aid is a source of financial support provided by federal, state and local governments, universities, community organizations, and private corporations to help students meet the cost of attending college. It includes gift-aid (grants and scholarships) and self-help aid (loans and student employment).

- Grants are awards based on financial need that do not have to be repaid.
- Fellowships are non-repayable awards based on either merit, special talent and/or financial need.
- Student employment allows students to earn money toward their education by working part-time while attending school.
- *Student loans are available to students at low [interest rates](#) (Federal Direct Loans).

APPLYING FOR ASSISTANCE

The Free Application for Federal Student Aid (FAFSA) is the form used annually to apply for most types of financial assistance. FIU's school code **009635** is required when completing the FAFSA. Applications for financial assistance are available annually on October 1st for the following academic year which begins in August. FIU's annual priority deadline is **March 1st**. Applications completed after this deadline will be processed in order of completion.

The FAFSA is available on the Web:

- FAFSA web filers will require a FSA ID (Federal Student Aid ID) to be used in lieu of student signature: <https://fsaid.ed.gov/npas/index.htm>
- Next to complete the FAFSA electronically on the Web, the web site address is: <http://www.fafsa.gov>.
- Using the Panther ID, students may check the "TO DO LIST" for any documentation required for file completion through my.fiu.edu.

ADMISSIONS

To be eligible for financial aid programs, students must be admitted to a degree-seeking program. However, students should not wait until they are admitted to apply for assistance.

SUMMER ASSISTANCE

To receive Summer assistance for 2020, the 2019-2020 FAFSA must be on file. Summer awards are automatically posted as long as there are no pending documents required and the student meets the preliminary review of Satisfactory Academic Progress (SAP) for Summer and the following academic year.

TRANSFER STUDENT PROCEDURES

Financial aid cannot be transferred from one post-secondary institution to another during the academic year. Students planning to transfer in mid-year should complete the FAFSA using both their current institution and Florida International University (**FIU Federal School Code**

009635) to ensure consideration for all applicable financial assistance.

ELIGIBILITY CRITERIA

To qualify for most need-based financial assistance, students must meet the following basic eligibility requirements:

- demonstrate financial need;
- be a U.S. citizen or eligible non-citizen;
- be registered with Selective Service, if required;
- be enrolled at least half-time in an eligible program of study; (5 graduate-level credits during the academic year)
- not be in default on a loan, or owe a repayment on Title IV aid received at any institution;
- maintain satisfactory academic progress

Additional requirements may apply depending on the aid programs for which a student is applying.

DETERMINING FINANCIAL NEED

Financial need is defined as the difference between the estimated cost of attendance and the amount students/spouses can reasonably be expected to contribute toward their educational expenses, expected family contribution (EFC). Need analysis is a federally mandated formula that measures, in an equitable and systematic way, how much students and their families are expected to contribute toward their higher education. Income, assets (excluding their primary residence), family size, number of family members attending college and other factors are evaluated to give a complete assessment of a family's financial strength.

Cost of attendance minus EFC= Financial need

VIEWING YOUR FINANCIAL AID

Students can view application status and awards using their Panther ID through the student portal, my.fiu.edu.

RETURN OF FINANCIAL AID POLICY

Federal regulations mandate that the Financial Aid Office comply with the Return to Title IV Funds (R2T4) policy. Any student who ceases attendance in a scheduled period of enrollment before completing 60% of the period of enrollment may be liable to repay all or a portion of the Title IV aid disbursed. A student who does not earn at least one credit with a D- or higher may be liable to repay all or a portion of the Title IV aid disbursed. Grades that affect Return to Title IV Funds are F, F0, IN, DR, W, WA, WI. Title IV funds include the following financial aid programs awarded to Graduate students: Unsubsidized Stafford Loans, TEACH Grant, and Grad PLUS Loans. The amount of the return is based on formulas established by the U.S. Department of Education. For additional information regarding the Financial Aid Return to Title IV Policy view the complete policy located on the OneStop webpage.

AWARDING PROCEDURES

Award decisions for newly admitted students who complete their financial aid application will be issued

annually in mid February with an Early Estimated Financial Aid Notice. A financial aid package may consist of a combination of grants, loans, and student employment. Other sources of assistance such as merit awards and private and institutional scholarships will be taken into consideration when preparing the award.

Award decisions for returning students who meet the March 1st priority deadline should expect to receive a financial aid offer by July.

*The Financial Aid Office reviews Spring grades to determine if **Satisfactory Academic Progress** has been met before an award determination is made for summer and the following academic year for all returning students.

SOURCES OF ASSISTANCE

The University participates in all Federal and State funded programs. Institutional assistance is available for students with academic promise and financial need.

Graduate Assistantships

Graduate students pursuing a master's or doctoral degree may qualify for assistantships/fellowships and other awards offered through individual graduate academic units. Applicants should contact the Graduate Program Director in the appropriate department.
