Bachelor of Science in Criminal Justice

Degree Program Hours: 120

Lower Division Preparation

Students are admitted directly to their chosen major at the University. Students are expected to make good progress based on critical indicators that include course completion and GPA requirements. In cases where students are not making successful progress, a change of major may be required. Academic advisors work with students to identify an appropriate major where a student will be successful in completing an undergraduate degree.

Criminal Justice Electives: (18)

Any 3000 or 4000 level courses with the prefixes CCJ, CJC, CJE, CJJ, CJL, and DSC.

General Electives

A minimum of 15 semester hours must be 3000 or 4000 level courses. Nine semester hours of electives must be taken outside of criminal justice. One- and two-credit physical activity courses (with the prefixes PEL, PEM, PEN) cannot be included as part of the hours needed for graduation. Independent study courses may not be taken outside of criminal justice.

Students are encouraged to double major or pursue a minor in related fields. Students may also consider appropriate academic certificates such as National Security Certificate, Professional Leadership Studies and Law, Ethics and Society, Public Policy Studies and Pre-Law Certificate.

Internship Program

It is highly recommended that students apply for an internship with a criminal justice agency. Students must have an overall minimum GPA of 2.0. For information on the application process and course requirements, see http://cj.fiu.edu/internship/.

Law Enforcement Apprenticeship Program (LEAP)

LEAP combines classroom instruction with specialized police training and workplace experience to produce successful law enforcement professionals and future leaders in the field. LEAP provides students with college credits towards the completion of the Bachelor of Science degree programs in Criminal Justice (BSCJ) or Crime Science (BSCS). For additional information, see https://cj.fiu.edu/leap/.

Bachelor of Science in Crime Science

Degree Program Hours: 120

Lower Division Preparation

Students admitted to the university are directly admitted to their chosen major. Students are expected to make adequate progress based on critical indicators such as GPA in specific courses or credits earned. In cases where
students are not making adequate progress, a change of major may be required. Advisors will redirect students to more appropriate majors when critical indicators are not actualized.
