Purpose

Our mission as a School of Accounting in an internationally-focused public research university is to:

- Foster an environment of intellectual curiosity, diversity of thought, and integrity;
- Provide a diverse student body with excellence in accounting education in order to succeed as business professionals and leaders as well as valued members of society;
- Prepare students for advancement in the accounting profession through specialized masters programs that strengthen professional competencies;
- Serve the academic community through scholarly research, colloquia, and the training of future accounting educators;
- Promote opportunities for professional development, lifelong learning and networking for our alumni and accounting professionals in the local, national and global community.

Master's Degree Programs

The School of Accounting offers three graduate degree programs: Master of Accounting (MACC), Master of Science in Taxation (MST), and Executive Master of Science in Taxation (EMST). The programs are designed for students who have completed an undergraduate degree in accounting, or the equivalent, from a regionally accredited college or university. The Director of the School of Accounting will determine the equivalency of students’ undergraduate degrees.

Students whose undergraduate degrees are in majors other than accounting will be required to make up for any business and/or accounting deficiencies. The Director of the School must approve programs of study for students seeking to correct such deficiencies.

All students taking graduate accounting and tax courses must be fully admitted to one of the graduate accounting programs or have written permission from the Director of the School. Registration for all such coursework must be made through the appropriate College advisor.

Admission Requirements

To be eligible for admission to a Master’s degree in the School of Accounting in the Chapman Graduate School, students must:

1. Hold a Bachelor’s degree from an accredited college or university;
2. Show high promise of success in graduate studies as determined by the faculty based upon a minimum score of 500 on the Graduate Management Admission Test (GMAT) score or 1000 (combination of verbal and quantitative) on the Graduate Record Exam (GRE). The GMAT requirement will be waived if the student has a
   a. graduate degree;
   b. passed four parts of CPA exam or;
   c. obtained from an AACSB accredited university a GPA of at least 3.25 in their upper-level undergraduate coursework AND a 3.0 GPA in classes equivalent to Intermediate Financial Accounting I (ACG 4101), Financial Accounting II (ACG 4111), Management Accounting (ACG 4341), and Income Tax Accounting (TAX 4001);
3. Have a minimum upper division grade point average (GPA) of 3.0;
4. Graduate student applicants whose studies were completed outside of the US must demonstrate proficiency of the English language by presenting a minimum score of 80 on the iBT TOEFL (equivalent to 550 on the paper-based version) or 6.5 overall on the International English Language Testing System (IETLS);
5. Be in good standing with all previously-attended colleges and universities.

Admissions at the graduate level are competitive and meeting minimum requirements does not guarantee admission.

Special Program Requirements

To be considered for admission into the MACC, MST, or EMST programs, an applicant with a non-accounting business degree may be required to complete up to 8
accounting pre-core courses (24 credit hours), to be selected from the following three credit-hour courses:

- ACG 4101 Financial Accounting I
- ACG 4111 Financial Accounting II
- ACG 4201 Financial Accounting III
- ACG 4651 Auditing
- ACG 4401 Accounting Information Systems
- ACG 4341 Management Accounting and Control
- BUL 4320 Business Law I
- BUL 4321 Business Law II
- TAX 4001 Income Tax Accounting
- TAX 4011 Taxation of Corporations and Partnerships

An applicant with a non-business degree may be required to complete, in addition to the pre-core courses listed above, the core courses for the Evening MBA program or equivalent undergraduate courses.

**Florida Certified Public Accountant Requirements**

Completing a Bachelor of Business Administration with a concentration in Accounting does not alone meet the Florida State Board of Accountancy educational requirements for CPA licensure. These requirements include earning 30 credit hours beyond an undergraduate degree with a total of 36 semester hours of accounting and 39 hours of general business including six hours of business law. One year of work experience in an accounting-related field is also required for licensure.

The MACC, MST, and EMST programs satisfy the 30 semester hours beyond a Bachelor’s degree required for CPA licensure.

**Master of Accounting (MACC)**

The Master of Accounting degree program prepares students for a career in accounting. Depending on a student’s interests, he or she will prepare for a variety of careers:

**Careers**

- **Financial Accounting/Auditing Systems**
  - Independent accountant in public accounting
  - Accounting systems, consultant, auditor, corporate officer, or public accountant
- **Internal Auditing**
  - Internal auditor, industry or government
- **Corporate Management Accounting**
  - Internal accountant or corporate officer

**Degree Requirements**

Students pursuing a MACC with any of the concentrations listed above must complete the following requirements:

**Accounting Core**

- ACG 6176 Evaluation of Financial Reports, Business Analysis and Valuation
- ACG 6437 Advanced Accounting Information Systems

Unless approved in advance by the Director of the School, these required courses cannot be transferred.

**Electives**

Electives (eight courses) must be selected from the following two groups of courses:

1. No more than two courses from this list:
   - TAX 6065 Tax Research Practice and Procedure
   - TAX 6105 Taxation of Corporations I
   - TAX 6205 Partnership Taxation
2. Additional 6000-level courses, approved by the Director, School of Accounting, with a minimum of four courses (12 credit hours) in a single concentration selected from a) financial accounting/auditing; b) systems; c) internal auditing; or d) corporate/management accounting

**Master of Accounting (MACC), value-added track**

The Master of Accounting (MACC), value-added track, is a 10-course 30 credit program tailored to address the needs of working professionals who wish to obtain the degree in an accelerated time span. The program is a tuition-plus-fee offering that can be completed in 10 months.

**Core Courses**

- ACG 6176 Evaluation of Financial Reports, Business Analysis and Valuation
- ACG 6657 Environment of Accounting and Auditing
- TAX 6026 Value-Added Tax Strategies for Business Decisions

**Electives**

Electives seven 6000-level courses must be selected from the following list of courses. Each candidate must receive prior approval of the Faculty Director of the program and the Director of the School of Accounting for his or her course selections.

- ACG 6135 Seminar in Financial Accounting Theory I
- ACG 6225 Value Added Accounting Practices in Strategic Business Decisions
- ACG 6257 Global Accounting, Auditing and Financial Strategy
- ACG 6295 Financial Accounting IV
- ACG 6346 Seminar in Management Accounting I
- ACG 6406 Accounting Data Warehousing and Analysis
- ACG 6437 Advanced Accounting Information Systems
- ACG 6466 Accounting Enterprise Resource Planning
- ACG 6625 Information Technology Auditing
- ACG 6675 Internal Auditing
- ACG 6676 Advanced Internal Auditing
- ACG 6677 Applied Internal Auditing
- ACG 6686 Fraud Examination
- ACG 6696 Current Issues in Auditing
- ACG 6885 Accounting Research and Reporting
- ACG 6935 Special Topics in Accounting
- TAX 6065 Tax Research, Practice and Procedures
- TAX 6107 Federal Corporate Taxation
- TAX 6876 Transitions in Property
- TAX 6206 Taxation of Pass-Through Entities
- TAX 6305 State and Local Taxation
- TAX 6446 Wealth Transfers
- TAX 6507 Principles of International Taxation
With prior approval of the Director of the School of Accounting, one course may be substituted for another 6000 level business course.

**Computer Requirements**

All MACC students are expected to own a laptop computer with wireless capability. You must have a laptop computer in order to begin your studies. A list of minimum requirements is available at [http://business.fiu.edu](http://business.fiu.edu) or by contacting the program office at (305) 348-7662.

**Graduate Certificate in Accounting (GCA)**

**Admission Requirements**

The Certificate in Accounting is designed to prepare students for advancement in an accounting career. To be eligible for admission to the Graduate Certificate in Accounting program in the Chapman School, students must:

1. Hold a Bachelor’s degree or equivalent from an accredited college or university.
2. Have a minimum upper division grade point average (GPA) of 2.75.
3. Graduate student applicants whose studies were completed outside of the US must demonstrate proficiency in the English language by presenting a minimum score of 80 on the iBT TOEFL (equivalent to 550 on paper-based version) or 6.5 overall of the International English Language Testing System (IELTS).
4. Be in good standing with all previously-attended colleges and universities.

Admissions at the graduate level are competitive and meeting minimum program requirements does not guarantee admission.

A student with a non-accounting degree who is applying for admission will be required to make up for any business and accounting deficiencies. The Director of the School must approve programs of study for students seeking to correct such deficiencies. If students wish to sit for the CPA exam, they will need a total of 36 semester hours of accounting and 39 hours of general business including six hours of business law.

If a student has completed 12 hours in the certificate with a 3.25 or better GPA he/she may be admitted to the MACC degree program without taking the GRE or GMAT examination as long as the undergraduate GPA was at least 2.75. Eligible students would have to apply and be admitted to the MACC before taking any additional courses in order to have the additional courses be counted to both the certificate and the MACC. The decision on the acceptability of the Graduate Certificate credits would be made by the Graduate Program Director.

**Electives**

Electives three 6000-level courses must be selected with prior approval of the Faculty Director of the program and the Director of the School of Accounting.

These courses are currently part of the MACC degree and students eligible to shift to the Masters program would do so with no loss of credits. Because of the manner in which the MACC is scheduled, potentially eligible students would have to apply for the MACC after the first two courses, with the decision to admit or not coming after grades are turned in for the second pair of courses. For additional information about the program, contact the program manager at (305) 348-7662.

**Graduate Certificate in Foundations of Accounting and Auditing (CFAA)**

The Certificate in Foundations of Accounting and Auditing (CFAA) is designed for professionals who hold a non-accounting business degree who would like to enter the accounting field. The CFAA Program provides the prerequisite accounting credits to enter the MACC, MST, or EMST programs.

**Admissions Requirements**

Students will be admitted to the CFAA program in the Fall and Spring semesters.

To be eligible for admission to the CFAA program in the Chapman School, students must:

1. Hold a Bachelor’s degree or equivalent from an accredited college or university.
2. Have a minimum upper division grade point average (GPA) of 2.75 in their undergraduate coursework.
3. Graduate student applicants whose studies were completed outside of the US must demonstrate proficiency in the English language by presenting a minimum score of 80 on the iBT TOEFL (equivalent to 550 on paper-based version) or 6.5 overall of the International English Language Testing System (IELTS).
4. Be in good standing with all previously-attended colleges and universities.

Admissions at the graduate level are competitive and meeting minimum program requirements does not guarantee admission.

After a student has completed the first 14 credit-hours in the CFAA program, he/she may express an interest to apply for the MACC or EMST. In the case, the student may transfer directly into the Masters program if he/she earns a GPA of 3.25 or higher in the first 14 credits in the CFAA provided he/she has completed the entire 21-credit hours in the CFAA program, submitted a graduate application and all required materials. If the student is not accepted in either program after applying for full admission, he/she will be awarded a certificate in Foundations of Accounting and Auditing upon completion of 21-credit hours, as long as he/she satisfies all Graduate School requirements for graduation.

**Courses**

The CFAA is a lock-step program consisting of 21 credit hours for completion as follows:
Computer Requirements

All EMST students are expected to own a laptop computer with wireless capability. You must have a laptop computer in order to begin your studies. A list of minimum requirements is available at [http://business.fiu.edu](http://business.fiu.edu) or by contacting the program office at (305) 348-7662.

Graduate Certificate in Taxation (GCT)

Admission Requirements

Students will be admitted to the Graduate Certificate program only in the Fall and Spring.

To be eligible for admission to the Graduate Certificate in Taxation program in the Chapman School, students must:

1. Hold a Bachelor's degree or equivalent from an accredited college or university.
2. Have a minimum upper division grade point average (GPA) of 2.75
