Master of Arts in Linguistics

Admission Requirements

Applicants must meet the University’s Graduate School general admissions requirements; GPA of minimum 3.0, two letters of recommendation, and a statement of purpose on the reasons for pursuing an M.A. in Linguistics. International graduate student applicants whose native language is not English are required to submit a score for the Test of English as a Foreign Language (TOEFL), for the International English Language Testing System (IELTS), or for the Pearson Test of English (PTE). A total score of 100 on the iBT TOEFL (equivalent to 600 on the paper-based version of the TOEFL), or a score of 6.5 on the IELTS, or a minimum score of 53 on the PTE is required.

Degree Requirements

The Master of Arts in Linguistics requires 36 graduate hours in Linguistics. Twenty-one of the 36 hours are in core required courses, the remainder in electives. In addition to maintaining an overall 3.0 average in all courses, students must also obtain a minimum of a 'B' in each of the required courses ('B-' is not acceptable in these courses) and a minimum of a 'C' in each elective course ('C-' is not acceptable). Course work will be as follows:

Required Courses: 21 hours, made up of A and B: A.
LIN 5018 Introduction to Linguistics* 3
LIN 5206 Phonetics 3
LIN 6085 Research Methods in Experimental Linguistics 3
LIN 6323 Phonology 3
LIN 6510 Syntax I 3
LIN 6605 Semantics 3

B. Linguistic Structure Course: 3 hours
A student must fulfill this requirement by taking a structure course on a non-Indo-European Language:
LIN 5108 Language Universals 3
or
LIN 5574 Languages of the World 3
or
LIN 6572 Structure of a Non-Indo-European Language 3

Electives
15 hours more of electives (or 18 more if LIN 5018 has been waived)

*LIN 5018 will only be required of those students who have no or insufficient background in Linguistics. Students with a prior course in linguistics may opt out of this requirement after passing a qualifying exam on the course materials.

Masters Research Project

All students will be required to produce a research paper of publishable standard by the end of their second year. (LIN 6910, Research Project for Publication I, may be taken to facilitate completion of this requirement.) The research project must be presented in an open forum at the end of the year.

Combined BA/MA in Linguistics

To be considered for admission to the combined Bachelor’s/Master’s degree program, students must have completed at least 75-90 credits in the Bachelor’s degree program at FIU and meet the admissions criteria for the graduate degree program to which they are applying. Students need only apply once to the combined degree program, but the application must be submitted to Graduate Admissions before the student starts the last 30 credits of the Bachelor’s degree program. A student admitted to the combined degree program will be considered to have undergraduate status until the student applies for graduation from his/her Bachelor’s degree program. Upon conferral of the Bachelor’s degree, the student will be granted graduate status and be eligible for graduate assistantships. Only 5000-level or higher courses, and no more than the number of credits specified by the program catalog, may be applied toward both degrees.

Admission Requirements

- Enrollment in undergraduate program in English, Spanish, French, or Portuguese at FIU.
- Must have completed 75-90 credits.
- Must have completed LIN 3013/LIN 3010 General Linguistics, LIN 4680 Modern English Grammar, FRE 3780 French Phonetics, or SPN 3733 General Linguistics with a grade of "A".
