Bachelor of Science in Communication

Degree Program Hours: 120-124

The School of Journalism and Mass Communication is fully accredited by the Accrediting Council on Education in Journalism and Mass Communications. Only 25 percent of all Schools of Journalism and Mass Communication in the United States are fully accredited. The aim of the undergraduate communication program at the University is to prepare students who:

1. are broadly educated, demonstrated by a grasp of the liberal arts and an appreciation of the value of knowledge and learning, including exploration in some depth of a specific field of knowledge outside communication;
2. can think clearly and objectively about the complexities of the modern world, formulate concepts and effectively communicate this information to targeted audiences;
3. are proficient in the basic skills necessary to meet professional requirements at the entry level in one of the tracks offered by the school. This shall include the ability to write English to professional standards and to master the mechanics of grammar, spelling, and punctuation; and
4. understand the social, ethical, economic, philosophical, and political aspects of the communication professions in a global society.

The School offers majors in Advertising, Broadcast Media, Digital Media Studies, Journalism, and Public Relations. Approximately 30 percent of a student’s course work is within the school. The purpose is to provide professional career entry skills as well as a broader understanding of communication processes and techniques and their impact on society.

Emphasis is placed on a broad range of knowledge. In keeping with the standards required of nationally-accredited mass communication programs for graduation, all students must take a minimum of 72 semester hours outside the field of journalism and mass communication (actual number will vary by track); a minimum of 65 of those hours must be in the liberal arts.

Additionally, students will select an area of concentration outside the field of communication to pursue in depth. Advisors in the Student Services office can provide recommendations for students with particular career goals.

Academic Advising

Academic advising is available through the School of Journalism and Mass Communication Office of Student Services. Students pursuing a major in Advertising (account management and creative), Broadcast Media (broadcast journalism and television production), Digital Media Studies (digital media management and digital media content), Journalism or Public Relations as well as those interested in our majors, minors and/or certificate programs are encouraged to meet with an advisor. Advisors are available to help students understand SJMC’s academic curriculum, procedures, and policies, create and refine short and long term educational goals, select areas of study, including majors and concentrations, connect with faculty members and university resources, address academic difficulties and ensure that students are on the correct path to timely degree completion.

Common Prerequisite Courses and Equivalencies

Courses which form part of the statewide articulation between the State University System and the Florida College System will fulfill the Lower Division Common Prerequisites.

For generic course substitutions/equivalencies for Common Program Prerequisites offered at community colleges, state colleges, or state universities, visit: http://www..org. See Common Prerequisite Manual.

Undergraduate Requirements

To meet the undergraduate requirements for the program (which allows a student to fully enter and complete their major and degree), FIU undergraduates and transfer students must complete 60 credits, successfully pass MMC 3003 (Mass Communication Orientation), and have a minimum cumulative GPA of 3.0 (this includes all transfer work, in addition to current FIU work).

Petition for Waiver of GPA Requirement

Applications for a waiver of the 3.0 GPA requirement needed are accepted twice during the academic year (the
first Monday in October and February). A faculty committee reviews the applications and grants a very limited number of waivers. Simply applying for the waiver will not guarantee approval. To be eligible for the waiver application, students must have a minimum GPA of 3.0 in their most recent 18 credit hours. Summer grades are considered at the end of Summer C. In addition, the student must have a 2.75 cumulative GPA and meet all other admission requirements. Students must have achieved a score on the language skills test that meets the minimum score requirement in effect at the time they apply for the waiver. Students may apply for this waiver only once.

Writing Proficiency

All students in each of the majors are expected to demonstrate proficiency in writing. Students are required to enroll in Writing Strategies for Reaching a Mass Audience (MMC 3104C) and receive a ‘C’ or higher. Admission to MMC 3104C requires that a student scores a minimum of 70 on the Language Skills Test and passes the writing sample, no exceptions. Be sure to complete this requirement early so as not to fall behind.

MMC 3104C is the prerequisite for the majority of courses in the SJMC.

Transfer Credit

Transfer students may receive credit for comparable Florida state communication courses in accordance with Statue 1007.24(7) or for a maximum of six semester hours of communication courses previously taken at non-Florida state institutions with a grade of ‘B’ or higher in each course.

Grade Policy

Only grades of ‘C’ or higher in SJMC courses, the student’s area of concentration, and other courses as required by the School shall apply for graduation. A ‘C’ is unacceptable. A “P” grade is unacceptable, unless the required course is zero credits. In order to take courses, students must have completed all prerequisites for the course with a grade of ‘C’ or better. Any student found not to have completed the specific prerequisite requirements as stated in the catalog and the course outline will be administratively dropped if the student does not drop the course prior to the end of the drop period. Students who are late or absent on the first day of class may be dropped from high demand courses at the instructor’s discretion.

Graduation Policy

To be eligible for graduation, a student must have a minimum 2.75 GPA in all SJMC courses as well as in the outside courses required by the program. The grade point average will be computed separately to maintain the 2.75 standard in both categories.

Advertising Major
