Communication Sciences and Disorders

Monica S. Hough, Chair and Professor
Alfredo Ardila, Professor
Ana Gouvea, Assistant Professor
Jean Mead, Clinical Assistant Professor
Mariateresa (Teri) Munoz, Clinical Instructor
Eliane Ramos, Clinical Associate Professor

Communication Sciences and Disorders (CSD) is one of the departments in the College of Nursing and Health Sciences. This department offers a master's degree program in Speech Language Pathology. Additionally, nine undergraduate prerequisite courses are offered for interested applicants with a bachelor's degree in another discipline. The unique focus of the CSD department is one of Cultural and Linguistic Diversity (CLD). The goal of the department is to educate CLD professionals to meet the needs of multicultural populations with communication disorders. Students matriculating in the program will benefit from the infusion of CLD throughout the curriculum. Special emphasis is placed on the provision of services to the bilingual population of the Metropolitan Miami area. Students will take extra coursework that emphasize multilingual/multicultural issues as they apply to language acquisition as well as assessment and intervention of speech and language disorders in adults and children.

Students will also have opportunities to receive clinical education from a variety of clinical settings in the Miami Metropolitan area including hospitals, schools, private practices and community based clinics that will further their experience with multilingual/multicultural populations. They will also engage in research projects with faculty members. A description of the admission requirements and a description of the master's program follow.

Admission Criteria

Applicants for admission to the master’s degree program must meet the current FIU minimum standards for admission to graduate school.

1. A grade point average of 3.0 in the last 60 hours of undergraduate study
2. Bachelor's degree
3. International graduate student applicants whose native language is not English are required to submit a score for the Test of English as a Foreign Language (TOEFL) or for the International English Language Testing System (IELTS). A total score of 80 on the iBT TOEFL or 6.5 overall on the IELTS is required.

Additionally, the CSD department requires the following for admission to the graduate program:

1. Departmental application
2. FIU Graduate School online application
3. Letter of interest summarizing interests
4. Two letters of recommendation from persons with knowledge of academic performance
5. Bachelor's degree in Communication Sciences and Disorders or completion of the 9 required prerequisite courses.
6. Students considered for graduate admission will be invited for an interview and asked to complete a spontaneous writing sample. Accommodations will be made for invited students who are not able to come to campus.

Requirements for students without a bachelor's degree in Communication Disorders

The Department of Communication Sciences and Disorders requires an individual applying for the master’s degree to hold a bachelor's degree in communication disorders or its equivalent. An applicant’s undergraduate background influences the time necessary to complete the graduate degree, as there are 9 prerequisite courses required for entrance to the graduate program. Interested individuals should contact the department prior to completing an application for admission. The following courses or their equivalents are required for all interested persons without an undergraduate degree in communication disorders:

- LIN 3013 General Linguistics 3
- SPA 4002 Survey of Communication Disorders 3
- SPA 4004 Introduction to Speech & Language Development and Disorders 3
- SPA 4011 Speech & Hearing Science 3
- SPA 4030 Introduction to Audiology 3
- SPA 4050 Clinical Management in Communication Disorders 3
- SPA 4101 Anatomy & Physiology of Speech & Hearing 3
- SPA 4101L Anatomy & Physiology of Sp. & Hear. Lab 1
- SPA 4112 Principles of Phonetics 3

Master of Science in Speech-Language Pathology

The Master of Science in Speech-Language Pathology consists of 57-60 graduate hours. The specific credit hours required will depend upon student's selection of thesis versus non-thesis options. Full time enrollment is required. Students will complete six semesters in the program. Student progress will be monitored each semester by departmental faculty.

An overall GPA of 3.0 is required for graduation. A grade of "B" or higher is required for all courses in your program of study. If a student receives a grade of "B-" or lower in more than two courses will be repeated. Any student who earns a grade of "B-" or lower in more than two courses will be terminated from the program.

Clinical practicum hours will be obtained in a variety of community settings. A minimum of 400 clock hours is required for graduation. Passage of the PRAXIS (600 passing score) is required for degree completion.

The program of study provides students with theoretical and clinical education to develop the competencies needed to practice as a speech-language pathologist. Upon completion of the master’s degree, the graduate will have met all academic and practicum requirements for the certificate of clinical competence awarded by the American Speech-Language-Hearing Association.

The Master of Science in Speech-Language Pathology at Florida International University is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association, 2200 Research Blvd, Rockville, MD 20850, (301) 296-5700. Program of Study

Core Courses in Speech-Language Pathology
(48)

Speech: (18)
SPA 5204 Phonological Disorders 3
SPA 5216 Vocal and Velopharyngeal Disorders 3
SPA 5225 Fluency Disorders 3
SPA 5107 Neurological Bases of Communication Disorders 3
SPA 6232 Neuromotor Communication Disorders and Augmentative Communication 3
SPA 6565 Dysphagia 3

Language: (12)
SPA 5402 Language Learning in Preschool Children 3
SPA 5403 Language Learning in School-Aged Children 3
SPA 6406 Dual Language Acquisition and Disorders 3
SPA 6410 Aphasia and Related Disorders 3

Audiology: (3)
SPA 6322 Aural Habilitation and Rehabilitation 3

Practical Courses: (15)
SPA 5553 Differential Diagnosis of Communicative Disorders 3
SPA 5500 Basic Clinical Practicum 3
SPA 5502 Intermediate Clinical Practicum 3
SPA 6505 Advanced Clinical Practicum 3

One clinical practicum must be repeated for a total of 12 credits in clinical practica.

Research
[Thesis—9 credits]
SPA 5805 Research Methodology in Communication Disorders 3
SPA 6971 Master's Thesis 6

[Non-Thesis—6 credits]
SPA 5805 Research Methodology in Communication Disorders 3
SPA 6930 Master's Project 3

Students will enroll in 1 credit of Master’s Project per semester in each of their last 3 semesters in the program.

Electives: (6)
The non-thesis option also mandates the selection of 2 of the following elective courses for an additional 6 credits. Selection of electives not listed here will need the approval of the departmental Chairperson:
SPA 6005 Assessment & Treatment of the Bilingual Child with Communication Disorders 3
SPA 6479 Aging & Communication Disorders in a Bilingual Society 3
SPA 6254 Adult Communication Disorders and Cognition 3
SPA 6938 Topics in Speech Pathology 3

free to contact the CAA if you have any questions about accreditation.
