The department of Leadership and Professional Studies offers programs and courses for students interested in working in a wide range of organizational, urban/multicultural/international contexts of education and training. Academic preparation focuses on such areas as educational leadership, urban education, management, psychology, policy development and analysis, adult education, human resources development, research/evaluation, counselor education, school psychology, higher education administration, recreation therapy and recreation and sport management. In addition, the department provides the core undergraduate and graduate curricula in the historical, cultural, social, philosophical, and psychological foundations of education. The department is substantially directed towards granting master’s and doctoral level degrees, but it also offers an undergraduate degree in Recreation and Sport Management. Department faculty are recognized as national/international scholars, exemplify outstanding teaching practices, and are committed to taking a leadership role in the provision of professional services and the process of community engagement. They are worlds ahead in its commitment to serving and maximizing student learning, engaging in the discovery and dissemination of new knowledge, and encouraging a creative and innovative spirit among our students. Community engagement plays a pivotal role in the programs and sponsored-research projects implemented through the department, where critical problems confronting our communities are identified and addressed.

¹In addition to EDFX085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Courses which form part of the statewide articulation between the State University System and the Florida College System will fulfill the Lower Division Common Prerequisites.

For generic course substitutions/equivalencies for Common Program Prerequisites offered at community colleges, state colleges, or state universities, visit: http://www.flvc.org. Search Program Listing by Alphabetical Order.

¹Requires field experience of 15 clock hours outside of class time.

In addition to EDF 2085, students must take six credit hours with an international or diversity focus in lower
division. See individual programs for specific major prerequisite courses.

Field Experience

Most courses offered by the department require observation and participation in selected schools. The course descriptions identify the courses which require in school classroom experiences guided by the directing classroom teacher and a School of Education faculty member.

All stated admission requirements are to be considered minimums. A student who meets these minimum requirements is not automatically assured admission.

Program admission requirements are subject to change. It is the responsibility of the student to assure that he/she has met the requirements.

Graduation Requirements

In the School of Education, all undergraduate students are required to meet the following requirements before they can graduate from their respective teacher education programs.

1. An overall GPA of 2.5
2. Successful demonstration of all the Florida Educator Accomplished Practices – pre-professional level
3. Passing scores on the three tests that make up the Florida Teacher Certification Exam.

Recreation Management Certificate Program

This is a professional certification program, which does not require an interdisciplinary relationship. However, given the interdisciplinary nature of the Recreation Management program, students will have exposure to various fields of study (e.g., marketing, strategic planning, management, human resource management, law & liability, etc.). This certificate program is open to non-degree-seeking students only.

Combined BS/MS in Recreation and Sport Management: Recreational (RT 4+1) Therapy Track
To be considered for admission to the combined Bachelor's/Master's degree program, students must have completed 75-90 credits in the Bachelor's degree program to which they are applying. Students need only apply once to the combined degree program, but the application must be submitted to Graduate Admissions before the students start the last 30 credits of the Bachelor's degree program. A student admitted to the combined degree program will be considered to have undergraduate status until the student applies for graduation from their Bachelor's degree program. Upon conferral of the Bachelor's degree, students will be granted graduate status and be eligible for graduate assistantships. Only 5000-level or higher courses, and no more than the number of credits specified by the program catalog may be applied toward both degrees.

Admission Requirements
1. Current enrollment in the Bachelor's degree program in Recreation and Sport Management, Pre-Recreational Therapy/Adaptive Recreation Track.
2. Completed at least 90 credits of coursework.
3. Current GPA of 3.2 or higher.
4. International graduate student applicants whose native language is not English are required to submit a score for the Test of English as a Foreign Language (TOEFL) or for the International English Language Testing System (IELTS). A total score of 80 on the iBT TOEFL or 6.5 on the IELTS is required.

General Requirements
The FIU Bachelor's degree in Recreation and Sport Management, Recreational Therapy Track, must be awarded before the Master's degree.

*Although the BS/MS 4+1 program is a combined degree track, students accepted into this program may discontinue their education upon completion of the B.S. degree.

Program for Vocational-Technical Teacher Education Certification

The School offers Vocational-Technical Teacher certification courses at the initial, professional, and advanced levels for local school district compliance in the areas of Vocational Industrial Education, Family and Consumer Sciences Education, Health Occupations Education, Public Service and Occupational Specialists. Courses for Endorsements are offered in Work Experience, Diversified Cooperative Training, and Vocational Education for Speakers of Other Languages (VESOL). Courses for renewal/recency of Professional Teaching and Vocational Administration and Supervision certificates are also offered. Persons seeking initial, Professional and Advanced Vocational Administration and Supervision certification, are encouraged to seek a statement of eligibility from the Florida Department of Education for degreed persons, and local school district vocational certification office for non-degreed teachers where they are teaching or intend to teach prior to taking courses at the university.
